# ABOUT US

SA Creations, engaged in manufacturing and exporting knitted and woven garments based on customer requirements. We are glad to say that we are one of the most efficient company engaged in manufacturing high quality & high fashion knitted garments. We have acquired a position in the market because of our product that has its own uniqueness and beauty among others. Our continuous growth is based on the confidence and trust level that our customers have on us.

We are successful in the industry based on thorough knowledge about the product and also understanding about the length of customer satisfaction towards the product. We are very clear to bond our current market scenario and the fashion to provide customers with ultimate designs, colors and other value additions. Each and every product manufactured is based on the current fashion trends and that would establish our product in form of quality and durability.

# INFRASTRUCTURE

## CUTTING UNIT

Cutting is the main phase in garment making. A Garment can't be made without cutting. In our firm cutting is done by the persons who are perfectly skilled and keeping in mind the FASHION FITS. We have modern hand cutter and pattern cutting machines.

## CHECKING SECTION

Every garment is subjected thru a initial check in the production on to the line and only then passed on to the separate checking division for a final checking.

## STITCHING UNIT

Power singers, Lace works Button hole machines, Press Button Machines, Smocking Machine, Rib Cutting Machine, Net Folding Machine. We use the most modern and single needled machines which produce in large volume. Our stitching unit has a strong work force of skilled persons. Our Assembly line consists of both Automated and Manual machines which has been designed to provide the required quality. Whether the Stitching run numbers in millions or as low in hundreds, our goal is to get it done fast.

## Ironing

Equipped with vacuum table used steam pressing for a perfect finish.
